#163, Brigade Road, Bengaluru - 560025, Karnataka, India

Policy for Promotion of Research

Research Promotion Policy

The St. Joseph's College of Commerce (Autonomous) envisions creating a research culture for achieving international distinction through excellence in research by exploring novel research paradigms and promoting research to address global, national and societal challenges. St. Joseph's College of Commerce (Autonomous) encourages research activities by providing the necessary infrastructural set up to faculty and students at large.

Research activities is integral to teaching in Higher Education Institutions. Education is a dynamic process. It requires constant updating. This updating is possible only with a vibrant research aptitude. Research makes it possible to create knowledge, innovation and newer insights that makes extension activities and teaching more vibrant and scientific.

Towards this endeavor, St. Joseph's College of Commerce (Autonomous) is committed to fostering a research culture in the Campus by encouraging research initiatives across the departments. The prime objectives for incentivizing research are as follows:

- Ensure a positive research environment and ensure high quality of research and enhance focus on outcome based research.
